IT'S YOUR CREDIT REPORT AND IT'S TIME TO CHECK IN

Your credit report is more than just a number. It's a record of your financial history, and it's likely to affect your financial future. Determining your ability to get a loan, the rate at which you may qualify for a loan, your ability to rent an apartment, or even qualify for a job, your credit plays a vital role in more than just your finances. So when it comes to checking in on your credit, it's important to do it regularly, and thoroughly.

Our **MyLife Checking account** makes it easy to keep tabs on your credit with built in protections to monitor and safeguard your credit and identity. Plus, with MyLife Checking, you can earn monthly cash-back credits, enjoy peace of mind with cell phone protection, and even save money when you shop!
