Federal Credit Union

# Summer Giveaway

# YOU COULD WIN \$1,000

Simply use your Debit Mastercard at least 15 times for purchases, in aggregate of \$200 and have 1 ACH deposit of at least \$500 credited to your account during the month and we will enter you into our drawing for \$1,000. The promotion will run for June, July, and August. We will draw for winners the first week of July, August, and September. We will draw five names each time and although there will only be one \$1,000 winner each month, we will be giving away other prizes to the other four names drawn.

#### Terms and Conditions:

The account must be in good standing (not negative, delinquent or subject to backup withholding) each month to be entered in to the drawings. The prize will be given to the primary account holder of an account since they are the account owner, but we will aggregate all transactions for any Debit Mastercard used on the account. This sweepstakes is exclusively for Sunbelt FCU Members that have an active checking account product. This promotion is subject to be cancelled at any time without notice by Sunbelt FCU. Sunbelt FCU employees and volunteers are not eligible to win.
