Our Rates & Service Charges explains current terms, rates and service charges applicable to the savings, checking and certificate accounts we offer. We may offer other rates and require other service charges or amend the rates and service charges, as explained in this disclosure, from time to time. Each owner on an account agrees to the terms described in this disclosure and acknowledges that it is a part of the Member Service Agreement (MSA).

Rates for Savings, Checking and Certificate Accounts

Effective Date: 6/12/2025	Dividend Rate	Annual Percentage Yield	Minimum Opening Balance	Minimum Balance to Earn APY	Dividends Compounded & Credited	Dividend Period

***For certificate specials, if the term is not available on maturity, your certificate will be renewed to the next highest term.

Explanation of Rates & Service Charges

As explained in the MSA, "Our Rates & Services Charges" applies to all the accounts we offer. Except as specifically described, the following terms apply to all of the accounts you have with us.

1. Rate Information

The Dividend Rate and Annual Percentage Yield on the accounts you have with us are identified above. The Dividend Rate and Annual Percentage Yield set are the rates and yields for the last dividend period as indicated above. For all accounts except money investment accounts and certificates, the Dividend Rate and Annual Percentage Yield may change monthly as determined by the Board of Directors. For money investment accounts, the Dividend Rate and Annual Percentage Yield may change weekly as determined by the Board of Directors. All accounts except certificate accounts are tiered rate accounts. For these accounts, the dividend rate for a particular tier will apply only to the portion of the account balance that is within that tier. The annual percentage yields, which vary depending on the balance in the account, are shown for each tier. For Certificate Accounts, the Dividend Rate and Annual Percentage Yield are fixed and will be in effect for the term of the account. For Certificate accounts, the Annual Percentage Yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.

2. Nature of Dividends

Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period.

3. Compounding and Crediting

Dividends will be compounded and credited as identified above. For dividend bearing accounts, the Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. Accrual of Dividends

Dividends will begin to accrue on noncash deposits (e.g., checks) on the business day you make the deposit to an account you have with us. If you terminate the account before accrued dividends are credited, accrued dividends will not be paid.

5. Balance Information

The minimum balance required to start each account and earn the stated Annual Percentage Yield is identified above. If you do not maintain the minimum balance, you will not earn the stated Annual Percentage Yield. For all accounts, dividends are calculated by using the Daily Balance method, which applies a periodic rate to the balance in the account each day.

6. Account Limitations

For all Regular Share, Sunrise Kids Savings, Special Share, and Money Investment accounts, you may not make more than four (4) covered *transactions* per month. Covered *transactions* include your checks, transfers initiated through online banking or mobile banking, ACH transfers, merchant point of sale *transactions*, preauthorized or automatic transfers, and overdraft protection transfers. Transfers to pay a loan with us are not covered by this limit. The date we use to determine the number of *transactions* is the date a *transaction* is posted to (actually credited to or debited from) an account, rather than the date you initiate the *transaction*. If you exceed this limit, we may refuse or reverse the *transaction*, and we may impose a charge as specified in the listing of service charges provided below. If you repeatedly exceed this limit, we may terminate the account. For a Holiday Club account, the entire balance will be transferred to another account of yours on or after November 1 and the account will remain open. If any withdrawal is made from this account before the end of the club term, then the account will be assessed a \$25 penalty.

7. Certificate Account Features

a. Account Limitations

After you start the account, you may not make additional deposits to a Certificate Account.

b. Maturity

The Certificate Account you have with us will mature on the maturity date identified on your Account Receipt or Renewal Notice.

Early Withdrawal Penalty

We may impose a penalty if you withdraw any of the principal of the Certificate Account before the maturity date.

1) Amount of Penalty. For certificates with a term of 12 months or less,

the amount of the early withdrawal penalty is 90 days dividends calculated on the amount withdrawn. For certificates with a term of more than 12 months, the amount of the early withdrawal penalty is 180 days dividends calculated on the amount withdrawn.

2) How the Penalty Works. The penalty is calculated as a forfeiture of part of the interest that has been or would be earned at the nominal interest rate on the account. It applies whether or not the interest has been earned. In other words, if the account has not yet earned enough interest or if the interest has already been paid, the penalty will be deducted from the principal.

3) Exceptions to Early Withdrawal Penalties. At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances: when an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.

c. Renewal Policy

Certificate accounts are automatically renewable accounts. Automatically renewable accounts will renew for another term upon maturity. You have a grace period of five (5) days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty.

d. Nontransferable/Nonnegotiable

The account is nontransferable and nonnegotiable. The funds in the account may not be pledged to secure any obligation of an owner, except obligations with the Credit Union.

8. Sun, My Life and Advantage Checking Features

Sun, My Life and Advantage Checking accounts are only available for natural persons who are at least 18 years of age. Only Mastercard Debit Card PIN and signature-based purchases count toward qualification requirements. If a merchant processes your transaction without a PIN or signature, it may not qualify. Transactions may take one or more banking days from the date the transaction was made to post to the account. Transactions that have been initiated but not posted as of the end of the cycle will not count as a qualifying transaction for that cycle (but will count in the following cycle when they post). In order to qualify as posting by the "end of the cycle," all Mastercard Debit transactions must post to the account by the *second to the last business day of the month* to be counted in that month. A monthly qualification cycle is defined as the first calendar day through the last calendar day of the month. Rewards will be calculated and paid on the last day of each cycle. These accounts have applicable service charges if you do not meet monthly qualifications.

a. Sun Checking Accounts

In order for the account to qualify for a \$1.00 (up to \$5.00) monthly credit for a particular qualification cycle, you must satisfy the following requirements: 1) complete ten (10) Mastercard Debit Card PIN or signature transactions; 2) conduct \$200 in debit card purchases; 3) initiate at least one (1) ACH or payroll deposit of \$250 or more to the account; 4) receive eStatements or Cloud documents; and 5) have an active loan with us with a balance of at least \$1.00.

b. My Life Checking Accounts

In order for the account to qualify for a \$1.00 (up to \$5.00) monthly credit for a particular qualification cycle, you must satisfy the following requirements: 1) complete ten (10) Mastercard Debit Card PIN or signature transactions; 2) conduct \$200 in debit card purchases; 3) initiate at least one (1) ACH or payroll deposit of \$250 or more to the account; 4) receive eStatements or Cloud documents; 5) maintain an average daily balance of \$500 or more; and 6) have an active loan with us with a balance of at least \$1.00.

c. Advantage Checking Accounts

In order for the account to qualify for the Qualifying Dividend Rate shown above and receive ATM rebates up to \$25 for a particular qualification cycle, you must satisfy the following requirements: 1) complete ten (10) Mastercard Debit Card PIN or signature purchases for a total of at least \$100; 2) initiate at least one (1) ACH or payroll deposit of \$500 or more to the account; 3) receive eStatements or Cloud documents; and 4) not be subject to backup withholding tax (if subject to backup withholding, account will be converted to regular Sun Checking). If you do not meet the qualifications in any given cycle, the account will earn the Non-Qualifying Dividend Rate listed above and not receive the ATM rebate. If you meet all the qualifications listed above, your balance is in the \$500-\$20,000 tier and you have a loan with us with a balance over \$1,000, you will earn the Bonus Dividend Rate listed above.
